SOMETHING NEW IN THE STRAW HAT TRADE...

The undersigned would respectfully reiterate that for some years past...

they have appreciated the justice of the remarks made by the Trade...

in their Spring purchases, viz: That all the styles were introduced so late...

that their buyers purchased without waiting, thus placing themselves under a disadvantage...

which the vendor, and who purchase later avoided, instead of giving them the opportunity...

of better selections from larger assortments, at prices to warrant their better purchases...

and, in order to assist in the sale of such representations, the undersigned have endeavored to remedy the difficulty...

so far as lies in their power. In furtherance of this desire, they have had specific attention to the FEVER THAT...

combining in its manufacture NOVELTY OF DESIGN, ELEGANCE IN STYLE, DURABILITY OF FABRIC...

The supply of these Hats is necessarily limited, owing to the late commencement...

of their manufacture in Italy, and as a consequence, the undersigned will, in a special manner, be obliged to receive orders in advance...
